AI Tool Usage

Project: Dharmendra Watch Care | Name: Aisha Saxena

AI tool	What I asked it to do	What I wrote, changed or checked myself
ChatGPT	Explain how CSS Grid areas work	Wrote my own grid layout for the menu page and tested it on mobile
ChatGPT	Suggest ideas for improving page headings and button text	Chose my own wording and shortened it to suit the shop's tone
Claude	Review my HTML for errors and accessibility issues	Fixed the issues myself, then re-ran the validator and Lighthouse to confirm
Claude	Make my code polished and refined	Changed the code layout myself for better readability and presentation

Declaration- I confirm that these entries are my own work, that every AI tool used is listed above, and that I can explain every part of the submitted code.
